

REPORTING YEAR 2017: RTS 28 Compliance

MiFID II mandates that investment firms, as part of their best execution obligations, report their top five venues for all trading on behalf of clients and monitor the quality of execution.

Invest4Growth Asset Management Ltd., "the Company", publishes annually its top five venues for professional clients across all asset classes.

The Company is not a member of any trading venue and transmits all orders to the custodians of its clients.

Only for debt instruments has the Company selected a broker and depending on the custodians of its clients, the Company may or may not route debt instruments orders to this broker.

Class of Instrument		Equities - Shares & Depository Receipts			
Notification if <1 average trade per business day in the previous year (Y/N)		N

Definitions:

"Passive Order"	Means an order entered into the order book that provided liquidity.
"Aggressive Order"	An order entered into the order book that took liquidity.
"Directed Order"	An order where a specific execution venue was specified by the client prior to the execution of the order.
"Volume Traded"	By volume we understand the regulation to mean market value.
"Orders Executed"	A deal in a specific stock with a specific broker; number of orders.

Quality assessment

Based on the monitoring requirements, the Company, at least annually assesses the performance and quality of its Custodians and Brokers. The Company monitor whether client orders are executed in accordance with the best order execution policy. Each provider the Company uses for order execution was reviewed at least on price, cost of execution, current liquidity of the relevant instrument, the quality and effectiency of the settlement process post execution, speed and probability of execution, number and severity of irregularities. The Company may select random orders to assess profounder than the above mentioned list. **The 2017 quality assessment showed a satisfactory performance and gave no reason for direct further action.**
